Professional
Experience

Freelance Designer

- Develop visual identities, editorial layouts, and communication materials for small businesses and independent clients.
- Translate research, client needs, and project constraints into clear visual concepts and flexible design systems.
- Create print and digital applications from initial concept through final production.

Sports Club Manager

Green Tennis Sports Club

- Manage the club's day-to-day operations, including scheduling, customer service, and administrative tasks.
- Organise events and tournaments, collaborating closely with the team on operational planning.
- Coordinate event logistics, internal communications, and staff activities.
